While Ranger Band fees are between 50% to 80% less than other programs in our area, we understand it is still a significant investment, particularly for families who have multiple students in the program. We never want a student to be unable to participate in the band for financial reasons. Please contact both: michael.childress@comalisd.org and treasurer@svhsband.com for information on assistance with your student's fees. We're here to provide a great experience for every student and their family.
