

Hello Ranger Band,  
What a terrific marching season! We are so proud of our band kids and family!

We are inviting all of our band families to send in recipes for a Ranger Band Cookbook! You can send any recipe you would like. It can be something that is quick and easy to make, or one that is more complicated. We know that we have all tried some new or favorite recipes during this last year. Let's share those with each other!

We have included a template to use when submitting your recipes. (Don't worry-photos are optional.)

Every category of food is needed:

Appetizers

Entrees

Breakfast, lunch, or dinner

Desserts

Drinks

BBQ

Slow Cooker

Holiday

Please also include your SV Band student's name, instrument and graduation year.

As soon as we compile our book, we will send a preorder form. The price will be determined by how many recipes we get. We are so excited about this new endeavor! We are trying to do a quick turnaround on this so that we can have the cookbooks near the holidays.

Please submit recipes to [Cookbook.erin.young@gmail.com](mailto:Cookbook.erin.young@gmail.com)

Thanks in advance for all the great recipes!
