

Dear Community Member and Business Owner:

Thank you for your interest in sponsoring the **Smithson Valley High School Ranger Marching Band**. Since our start, the band and our color guard has had an extremely successful history. We have taken home numerous awards including overall finishes, superior performances, top rankings in region and area competitions. As we continue to grow, we are constantly looking for new opportunities to compete in and out of the hill country. With over twenty different competitions throughout the year, and performances at football games, community events, and other venues the cost to run such an active program is constantly increasing.

Each year students and parents raise money to support the program that continue to allow us to compete throughout the state. This is a near impossible task to overcome without the support of local community members and businesses. We appreciate your interest in helping these hard working young men and women. Below are the different levels of sponsorships available, **deadline is July 20**. If you have any questions or would like to sign up as a sponsor please feel free to contact Stephayne Gibson at 918 868 7858.
